

Succulents Past, Present and Future in the Rock Garden

Rod Haenni

Succulents on the Rocks Virtual Conference, January 15, 2022

Plant Image Slide List

1. *Prometheum sempervivoides* in bloom
2. *Pediocactus simpsonii* in bloom
3. *Austrocactus bertinii* in bloom
4. *Sempervivum arachnoideum*
5. *Jovibarba heuffelii* 'Purple Haze'
6. *Echinocereus triglochidiatus* in bloom
7. *Stomatium agninum*
8. *Orostachys* 'Crazy Eddie' in bloom
9. *Agave toumeyana* ssp. *Bella*
10. *Orostachys boehmeri* in bloom
11. *Petrosedum rupestre* 'Rice Creek'
12. *Delosperma* 'Granita Raspberry' in bloom
13. *Echinocereus milleri* in bloom
14. *Echinocereus bonkerae* in bloom
15. *Mammillaria meiacantha* in bloom
16. *Lewisia tweedyi* in bloom
17. *Lewisia rediviva* in bloom
18. *Rabiea albipuncta* in bloom
19. *Stomatium agninum* in full bloom
20. *Echinocereus engelmannii* in bloom
21. *Echinocereus laui* in bloom
22. *Maihuenia patagonica*
23. *Maihuenia patagonica* in bloom
24. *Maihuenia poeppigii* in bloom
25. *Maihuenia poeppigii* in fruit
26. *Gymnocalycium ubelmannianum* in bloom
27. *Gymnocalycium andreae* in bloom
28. *G. ubelmannianum* in full bloom
29. *Gymnocalycium bruchii* in full bloom
30. *Maihueniopsis glomerata* in bloom
31. *M. glomerata* in dormancy
32. *Petunia patagonica* in bloom
33. *Juniella succulentifolia* in full bloom
34. *Viola pachysoma* in bloom
35. *Viola x blaxlandiae* in full bloom
36. *Viola sacculus* in full bloom
37. *Viola tectiflora*
38. *Viola rubromarginata* in bloom
39. *Calindrinia colchaguensis* in bloom
40. *Calindrinia skottsbergii* in full bloom
41. *Montiopsis gayana* in bloom
42. *Pterocactus araucanus* in bloom
43. *P. araucanus* clump, small fingers
44. *Austrocactus hibernus* ssp. ? in full bloom
45. *Austrocactus coxii* in bloom
46. *Austrocactus/Pterocactus* at DBG
47. *Oxallis adenophylla/Adesmia parviflora*
48. *Lithops salicola* in bloom
49. *Lithops lesliei* in bloom
50. *Aloinopsis x Nananthus* 'Halo'
51. *Euphorbia clavaroides*
52. *Stomatium beaufortense*
53. *Coryphantha scheerii*
54. *Gymnocalycium gibbosum*
